Getting Smart | What Does This Mean For My Agency?

Advancements in technology are enabling new smart solutions that are transforming transportation, communication, public safety, schools and other critical aspects of your community. To remain relevant, agencies will need to implement a safe and reliable digital infrastructure. A strong technology and electrical backbone is key to establishing any level of smart.

Getting Safe | Serving Public Agencies with Solutions to Germ Control

With the changing environment, it is critical that you and your employees are utilizing technology, lighting, security, personal protective equipment (PPE) and cleaning supplies to help protect yourselves against the spread of germs.

Who Can Participate

The Suburban Purchasing Cooperative (SPC) is a joint purchasing program sponsored by the Northwest Municipal Conference (NWMC), DuPage Mayors & Managers Conference (DMMC), South Suburban Mayors and Managers Association (SSMMA), and Will County Governmental League (WCGL). Together the SPC represents 142 municipalities and townships in northeastern Illinois.

All public agencies as defined by the Illinois Governmental Joint Purchasing Act, as well as not-for-profit agencies that qualify under Section 45-35 of the Illinois Procurement Code, are eligible to participate in SPC joint purchasing programs. The term "public agency" shall mean any unit of local government as defined in the Illinois Constitution of 1970, any school district, any public community college district, any public building commission, the State of Illinois, any agency of the State government or of the United States, or of any other State, any political subdivision of another State and any combination of the above pursuant to an intergovernmental agreement which includes provisions for a governing body of the agency created by the agreement.
